Letter of commitment

Investment project on setting SRC plantation

Based on the passed seminars organized by Energy agency of the Zlín region in SRC+ project municipality Liptal consider about SRC plantation in area of 1 ha in land register Liptal and further cooperation with Energy agency of the Zlín region on setting chain of supply from production of wood chips to consumption in local boilers.

Specification of place:

Bonificated soil ecological unit 7.20.44 is included in 5th grade of protection of agricultural soil

- Map:

Plan of realisation: First plantation 2016-2017.

I welcome the cooperation with Energy agency of the Zlín region – consultations in frame of SRC+ project with contacts to the provider of poplar cutlets and outplanting of poplars.

In Liptal 20.11.2015

Ing. Milan Daňa, major
