Letter of commitment

Investment project on setting SRC plantation

Based on the passed seminars organized by Energy agency of the Zlín region in SRC+ project municipality Liptal consider about SRC plantation in area of 0,07 ha on my own garden in land register Sumice because of unused land near the local brook.

Specification of place:

Bonificated soil ecological unit 3.20.11 is included in 4th grade of protection of agricultural soil

- Map:

Plan of realisation: First plantation 2019-2020.

I welcome the cooperation with Energy agency of the Zlín region – consultations in frame of SRC+ project included handbook of SRCs and flyers connected to the project.
