Letter of commitment

With this I would like to confirm cooperation with SRCplus project consortium, in particular with Latvian State Forest Research Institute "Silava" and "Ekodoma" Ltd, as well as future plans regarding the plantation of short rotation coppice (SRC).

Previous collaboration with SRCplus project

Over the past years my farm had fruitful collaboration with the project consortium in the following ways:

- I participated in seminars, meetings and other informative activities;
- - received informative materials and handbook disseminated within the SRCplus project;
- Within helpfull consultations of LSFRI Silava I bought 1000 rods of poplars from Italy.

I am pleased to continue a relationship with Latvian State Forest Research Institute "Silava" and "Ekodoma" Ltd under the SRCplus project and after it.

Description of the SRC plantation

I planted 3 ha of poplars in Rēzekne parish.
